

# Cover plate CPE14-PRSB

Part number: 164968

FESTO

## Data sheet

| Feature                            | Value                                                                                      |
|------------------------------------|--------------------------------------------------------------------------------------------|
| Operating medium                   | Compressed air to ISO 8573-1:2010 [7:4:4]                                                  |
| Note on operating and pilot medium | Lubricated operation possible (in which case lubricated operation will always be required) |
| Corrosion resistance class CRC     | 2 - Moderate corrosion stress                                                              |
| LABS (PWIS) conformity             | VDMA24364-B1/B2-L                                                                          |
| Product weight                     | 15 g                                                                                       |
| Note on materials                  | RoHS compliant                                                                             |
| Material housing                   | Reinforced PA                                                                              |
